

Civil Engineering Co-op Student

Westbrook Consulting Ltd. - Victoria, BC

Full-time, September 2024- December 2024

Westbrook Consulting Ltd. is a leading civil engineering consulting group specializing in municipal and land development engineering throughout Southern Vancouver Island. We are currently seeking a candidate to fill an opening for a Civil Engineering Co-op Student for the fall 2024 term.

The successful candidate will be responsible for assisting the engineers and design technicians with all tasks for all stages of projects from initial rezonings, through to construction.

Responsibilities will include assisting with:

- the preparation of engineering services proposals for prospective projects;
- the preparation of design reports;
- site servicing calculations;
- the preparation of construction cost estimates;
- field tasks.

Qualifications

- Enrolled in a co-op program.
- Team oriented personality.
- Completion of a technical writing course.
- Excellent oral and written communication skills.
- Proficient at time management.
- Able to manage multiple projects, deliverables and deadlines.
- Ability to problem solve.
- Class 5 driver's licence.

Wage Range \$20-25 / hour

Submit written applications and resume to info@wbrook.ca to the attention of Tracey Klatt.
